

Project information for participants

Who we are

- AMIGA stands for: Active Migrants in the Local Labor Market.
- Since June 2013 we support migrants to enter the Munich labor market in keeping with their qualifications, develop strategies for a successful labor market integration while promoting dialogue with employers.
- AMIGA is financed by the Munich Employment and Qualification Program (MBQ), which is operated by the City of Munich. The project is managed by GründerRegio M e.V.

Who can take part?

- (highly) qualified migrants who are seeking employment
- international students and graduates
- migrants who are keen to take up self-employment
